

John & Birta's Newsletter Dec 2020

Hey everyone!

For those of you who pray, here's a short newsletter to inform you of all our different Christmas events during the next few weeks. We would really appreciate prayers for all of them and that we would be able to do it all well under Corona restrictions. Our prayers are of course that many both here in Japan and also back home would come to know the joy and peace that only God gives.

By the way, a big thank you for praying for our Thanksgiving events in November. It turned out great and people who came said they would come for Christmas too which is also great.

Here's what to pray for...

1. We plan to invite some neighbours and friends over for Christmas meals during the next two weeks. Pray that they would accept our invitations and that we would have a good time together and deepening of friendships. Also pray that we can share with them the reason for Christmas.

2. We have Christmas events at church for all the English classes and their families. All the English class kids perform in some way. The little ones a song and dance, the older ones some English Bible readings etc. John has the message at these meetings (apart from the student party) so pray for him and that the message would touch peoples hearts.

Dates: Wed 16 Dec Thurs 17 Dec Fri 18 Dec at 19 Dec - Student Christmas Party

3. We have a Christmas service at the church on Sunday 20 Dec.

4. We are inviting friends to join us at a candle service on Thursday 24 Dec.

5. We have an international fellowship Christmas on Friday 25 Dec: pray that this will be an encouraging time for English speaking people to worship.

We pray this over each of you this Christmas season!

"May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit."

Thank you so much for all your love and support. We could not do without it!

Much love from us, Birta, John and Jónas
